# FOREWORD

The summer holidays are a great opportunity for Southwark's children and young people to enjoy reading at a less pressured time.

Whether it's escaping to a new world filled with magic and mystery, being part of a new adventure, or learning about new things, the joy of reading I want to ensure that we instil in all our children.

This year, the Summer Reading Challenge celebrates the 80th anniversary of the Beano with lots of fun-filled reading activities and events taking place in libraries across Southwark.

I remember reading about Dennis the Menace, Gnasher and Minnie the Minx when I was younger, and it is great to see them continue on their escapades in 2018, bringing continued excitement to children today.

Our Summer Reading Challenge will see children and young people encouraged to read, and being rewarded with great prizes such as a special certificate, book vouchers and more. A Southwark school will also receive a trophy for the most children to take part.

We also want children and young people to be a part of organising the Summer Reading Challenge, and we are encouraging them to volunteer and assist library staff to organise the reading challenge at their local library. Activities include multisensory storytelling sessions, and sessions where parents and carers can relax and enjoy great stories with their under-five year olds.

We do hope you will join in with the fun this summer. Visit our website for more information at [www.southwark.gov.uk/libraries](http://www.southwark.gov.uk/libraries)

## **VOLUNTEER AT A SOUTHWARK LIBRARY AGES 14 TO 17**

Young  
people up to  
17 years

Between Saturday 14 July to Sunday 2 September 2018, all Southwark libraries will run the annual Summer Reading Challenge for children.

### **What is the Summer Reading Challenge?**

We want to keep children reading throughout the summer by providing them with an enjoyable reading activity. They can read six books and collect gifts along the way. This year the theme is mischief makers and celebrates 80 years of the Beano.

### **Your role as a volunteer**

Once recruited training will be provided and the volunteers will assist library staff in the following areas:

- Meet and greet participants
- Explain to children and parents what the Summer Reading Challenge is
- Encourage children to join the Summer Reading Challenge
- Listen to children talking about the book they have read
- Provide children with their prizes after each book.

Even if you can only volunteer for a week or two over the summer period you are still able to get involved in this great opportunity.

## The benefits

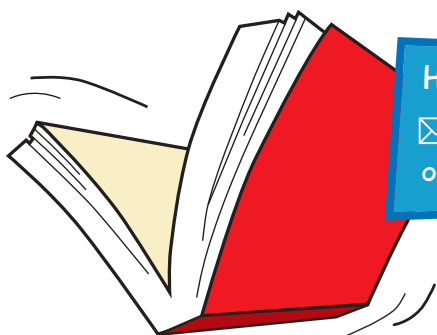

Volunteering in libraries can assist you to gain:

- Experience of working for a local authority
- Improved interpersonal skills
- The Duke of Edinburgh Award (volunteers section)
- Improved employment prospects for the future.

# TELL US WHAT BOOKS TO BUY!

**Visit to Foyles bookshop,**  
107 Charing Cross Road, London, WC2H 0DT

We want young people to tell us what books they would like us to purchase for the library. This is a great opportunity to help library staff select books to purchase for Southwark libraries. Young people who join us on the visit will be signed up as a young volunteer for Southwark libraries and also receive a free book. Foyles bookshop is an award-winning independent bookstore that sells books in all genres. The Charing Cross store has 200,000 different titles on four miles (6.5km) of shelves.

During the visit each young person will receive one book costing up to £10.

Children aged eight to 11 must be accompanied by their parent or carer. Young people aged 12 to 16 do not have to be accompanied. There will be four members of library staff attending the trip. This trip is free but you must book your place by Monday 6 August.

- Meet at Dulwich Library foyer at 9.30am
- Leave Dulwich Library together for Foyles bookshop
- Arrive at the bookshop approximately 10.45am
- Lunch 1pm
